

## Consumer Savvy—Consumer Roadmap Consumer Skills

In *Consumer Roadmap*, youth will have the opportunity to practice and improve the following consumer (project) skills:

- Investigate how the products you buy are manufactured
- Experience buying in the world market
- Develop online consumer skills
- Evaluate quality of advertising
- Act responsibly
- Learn about government agencies that help protect consumer rights
- Comparison shop to save money
- Learn from experience
- Use of government and community resources
- Writing a letter of complaint
- Identifying consumer action alternatives
- Exploring the job market
- Asking questions to get needed information
- Choose alternatives that match available resources
